

# Girls Love Shoes

**Benji Hughes**

Girls like parties girls like the beach  
Girls like shopping and yoga  
Girls like dancing they like laying out in the sun  
Girls like boys girls like boys  
Girls like lots a things  
Girls like lots a things  
Girls love shoes  
Girls girls love shoes

We hold these truths to be self evident

All shoes are not created equal

I have a dream

I have a dream

I have a dream

I have a dream

High heels T-straps which is so fly

Peak toes

Sneakers [?]

Sandals or palms

Black tall

Where are we going

High heels T-straps which is so fly

Peak toes

Sneakers [?]

Sandals or palms

They love all of them

Girls love shoes

Girls girls love shoes
