Change (Bronleewe & Bose Radio Edit)

Kimberley Locke

Sorry for what I forgot to say
But you know how words get in the way, baby, lately
Wasn't strong enough to cut right through
All the red tape between me and you, baby, time escapes meWhat's it gonna take to shake these blues?
Pushin' through the clouds just to get to you
Can't hold back the storm that's blowin' through, yeahI feel the change, babe, washin' over me
I feel the rains, babe, comin' to set me free
It's a one way track, ain't comin' back
This train's about to leave, I feel a change comin' over meNever noticed that it's kinda strange
Same story but a different day, lately, oh baby
Gotta get up, gotta change the scene
Gotta rip this page from the magazineI feel the change, babe, washin' over me
I feel the rains, babe, comin' to set me free
It's a one way track, I ain't never comin' back
This train's about to leave, I feel the change comin' over meYeah, I ain't tryin' to be difficult no, no
I ain't tryin' to be mean
I just gotta do right now
What's best for me, oh(I feel the change, babe)
Something's changing, baby, deep inside of me
(I feel the rains, babe)
I feel the rains falling down to set me freeIt's a one way track, I ain't never goin' back
(This train's about to leave)
If you wanna go, baby, this train's gonna leave
(I feel the change)
There's a change comin' over meOh yeah, yeah, I feel a, I feel a
Change comin' over me
Rains forcing down on me
Coming to set me free, babyI feel a change, yeah
I feel a change, yeah
A one way track, I ain't never coming back
This train's about to leave, baby
I feel a change, yeah
