

# Change (Bronleewe & Bose Radio Edit)

[Kimberley Locke](#)

Sorry for what I forgot to say  
But you know how words get in the way, baby, lately  
Wasn't strong enough to cut right through  
All the red tape between me and you, baby, time escapes me  
What's it gonna take to shake these blues?  
Pushin' through the clouds just to get to you  
Can't hold back the storm that's blowin' through, yeah  
I feel the change, babe, washin' over me  
I feel the rains, babe, comin' to set me free  
It's a one way track, ain't comin' back  
This train's about to leave, I feel a change comin' over me  
Never noticed that it's kinda strange  
Same story but a different day, lately, oh baby  
Gotta get up, gotta change the scene  
Gotta rip this page from the magazine  
I feel the change, babe, washin' over me  
I feel the rains, babe, comin' to set me free  
It's a one way track, I ain't never comin' back  
This train's about to leave, I feel the change comin' over me  
Yeah, I ain't tryin' to be difficult no, no  
I ain't tryin' to be mean  
I just gotta do right now  
What's best for me, oh (I feel the change, babe)  
Something's changing, baby, deep inside of me  
(I feel the rains, babe)  
I feel the rains falling down to set me free  
It's a one way track, I ain't never goin' back  
(This train's about to leave)  
If you wanna go, baby, this train's gonna leave  
(I feel the change)  
There's a change comin' over me  
Oh yeah, yeah, I feel a, I feel a  
Change comin' over me  
Rains forcing down on me  
Coming to set me free, baby  
I feel a change, yeah  
I feel a change, yeah  
A one way track, I ain't never coming back  
This train's about to leave, baby  
I feel a change, yeah
