

# Just Friends

[Amy Winehouse](#)

Advisory - the following lyrics contain explicit language:

When will we get the time to be  
Just friends? Its never safe for us not even in the evening  
Cos Ive been drinking  
Not in the morning  
Where your \*\*\*\* words Its always dangerous when everybodys sleeping  
And I've been thinking  
Can we be alone?  
Can we be alone? When will we get the time to be  
Just friends?  
When will we get the time to be  
Just friends? And no, I'm not a saint  
But the guilt will kill you  
If she dont first  
Ill never love you like her Though we need to find the time  
To just do this \*\*\*\* together 'fore it gets worse  
I wanna touch you  
But that just hurts When will we get the time to be  
Just, just friends?  
When will we get the time to be  
Just friends, just friends? When will we get the time to be  
Just friends, just friends?  
When will we get the time to be  
Just friends, just friends?  
Just friends
