

# P.K.N.B (Dry And Heavy Connection Dub Mix)

## Asian Dub Foundation

Is there nothing that a madman won't say?  
Is there nothing that a goat won't eat?  
Common sense,  
Misinformation received  
By the common man  
You've been just as deceived  
An effect that was planned by the powers that be  
A most effective tool for division and rule  
A most effective tool for division and rule And people of different cultural persuasions  
Start to develop hindered relations  
So what can be done to dissipate the friction?  
Gotta separate the facts, yes the facts from the fiction."Ah, I, I don't know  
Ah, I, I don't know  
Ah, I, I don't know But once they get get here  
There is no knowing what they'll get up to!" All this talk about housing  
Just a method of arousing bad feeling  
Appealing to people's prejudice  
And then they redirect  
Their lack of self respect  
Towards a visible target  
A visible target You seem to have forgotten  
That the apple has always been rotten  
And that black people are not the cause of your problems Black people are not the cause of your problems  
We're often told that this country's bursting at the seams.  
We're never told that there are in fact more people leaving than entering.  
Immigration has become synonymous with black people.  
Yet over sixty per cent of immigrants are white "Things were good in the good olden days" they say  
"Jobs in the factories" (economic slaves!)  
"We kept our doors open right throughout the day"  
(But the poverty was such That there was nothing to nick anyway!) Black people constitute less than six per cent  
of the population  
Common sense,  
Misinformation received  
By the common man  
You've been just as deceived  
An effect that was planned by the powers that be  
A most effective tool for division and rule  
A most effective tool for division and rule And people of different cultural persuasions  
Start to develop hindered relations

So what can be done to dissipate the friction?  
Gotta separate the facts, yes the facts from the fiction. "Enough is enough."  
"Immigration must stop."  
"This country's bursting at the seams."  
"This country's going to the wogs!" Oh, the Sun has got its facts wrong Hip, hip, hooray  
The Sun has got its facts wrong and it's fucking up my day A race war That's what they're fighting for  
Rivers of blood is what they want  
By claiming influx, a flood or a swamp  
There ain't no influx, a flood or a swamp! All this talk about housing  
Just a method of arousing bad feeling  
Appealing to people's prejudice  
And then they redirect  
Their lack of self respect  
Towards a visible target  
A visible target You seem to have forgotten  
That the apple has always been rotten  
And that black people are not the cause of your problems Black people are not the cause of your problems  
"Ah, I, I don't know  
Ah, I, I don't know  
Ah, I, I don't know But once they get get here  
There is no knowing what they'll get up to!" Oh, the Sun has got its facts wrong Hip, hip, hooray  
The Sun has got its facts wrong and it's fucking up my day
