

# Superlungs My Supergirl

Donovan

You see this kind of chick in every town  
Whenever there's a scene she's always hangin' around  
She's so naive and innocent, stares at you with awe  
She's only fourteen but she knows how to draw Supergirl, Supergirl, Supergirl, Supergirl Supergirl  
(She's my Supergirl and I love her)  
Supergirl  
(She's my Supergirl and I love her) Supergirl  
(She's my Supergirl and I love her)  
Supergirl  
(She's my Supergirl and I love her) She never gets involved with blowing her cool  
She's to visit painting sky with her classmates in school  
Teachers they ignore her, they would if they could  
She ain't quite grown up yet but her credence's real good Supergirl  
(She's my Supergirl and I love her)  
Supergirl  
(She's my Supergirl and I love her) Supergirl  
(She's my Supergirl and I love her)  
Supergirl  
(She's my Supergirl and I love her)
