

This Is How It Goes (Demo)

Billy Talent

Everybody is tired
And poor and sick of trying
If you see me
On the corner
Will you stop or will you splash me
Take a look at
What we've become
Nothing more than silhouettes of
A pretty family
On a post card
Picture perfect, I don't want it So I hold my breath 'til my heart explodes
Cause this is how it is and this is how it goes
You can steal my body but you can't steal my soul
Cause this is how it is and this is how it goes Shitty weather, bad timing
Lucky penny glued to the ground
Dirty look from total stranger
Hope you get lost and you're not found
Take a look at what we've become
Nothing more than silhouettes of
A pretty family on a postcard
Picture perfect, I don't want it So I hold my breath 'til my heart explodes
Cause this is how it is and this is how it goes
You can steal my body but you can't steal my soul
Cause this is how it is and this is how it goes This is, how it, it goes
This is, how it, it goes
This is, how it, it goes So unscrew my head
And rinse it out
Polish my thoughts
Turn into doubts
Unscrew my head
And rinse it out
Polish my thoughts
Turn into doubts
Turn 'em into, turn 'em into doubts So I hold my breath 'til my heart explodes
Cause this is how it is and this is how it goes
You can steal my body but you can't steal my soul
Cause this is how it is and this is how it goes
