

# Up For The Down Stroke

## Fred Wesley

"Up For The Down Stroke"  
Talking 'bout he's mad  
Let's take it to the stage, jack, come on  
And get up for the down stroke  
Get up for the down stroke  
Everybody get up  
(X4)  
Everybody get up  
Get up for the down stroke  
Everybody get upParty  
It's all about party, yeah  
Having a party, y'all  
(Get up for the down stroke?) (get down!)  
(? .A joke)  
Get down on the real side  
Get up for the down stroke  
Everybody get up  
(X6)  
Woo, hoo hooI don't care about the cold, baby  
Cause when you're hot, you're too much  
Cause when you're hot, you're hot  
Look at what you've got  
(X7)  
(Give me the claps)  
(Let's take it to the bridge)  
(What?)  
(He talkin' bout he mad!)  
(Make it funky now)  
Get up for the down stroke  
Everybody get upI don't care about the cold, baby  
Cause when you're hot, you're too much  
Cause when you're hot, you're hot  
Look at what you've got  
(X3)Party, baby party  
You're hot  
Let's take it to the stage  
I don't care about the cold, baby  
Cause when you're hot, you're too much  
Cause when you're hot, you're hot

Look at what you've got (oh, my godfather!)  
I don't care about the cold, baby (get up for the down stroke)  
Cause when you're hot, you're too much  
Cause when you're hot, you're hot  
Look at what you've got  
I don't care about the cold, baby (get up for the down stroke)  
Cause when you're hot, you're too much  
Cause when you're hot, you're hot  
Look at what you've got
