

# Beautiful Now - Charlie Darker Remix

Zedd

I see what you're wearing, there's nothing beneath it  
Forgive me for staring, forgive me for breathing  
We might not know why, we might not know how  
But baby, tonight, we're beautiful now We're beautiful now  
We're beautiful now We might not know why, we might not know how  
But baby, tonight, we're beautiful now  
We'll light up the sky, we'll open the clouds  
Cause baby, tonight, we're beautiful now, we're beautiful  
We're beautiful Wherever it's going, I'm gonna chase it  
What's left of this moment, I'm not gonna waste it  
Stranded together, our worlds have collided  
This won't be forever, so why try to fight it?  
We're beautiful now, beautiful now  
We might not know why, we might not know how  
But baby, tonight, we're beautiful now  
We'll light up the sky, we'll open the clouds  
Cause baby, tonight, we're beautiful now, we're beautiful  
We're beautiful Let's live tonight like fireflies  
And one by one light up the sky  
We disappear and pass the crown  
You're beautiful, you're beautiful We're beautiful now  
We're beautiful now  
We're beautiful now  
We're beautiful now We're beautiful  
We're beautiful, we're beautiful now  
We're beautiful now  
We're beautiful now  
We're beautiful now  
We're beautiful now We're beautiful
