

Donna On My Mind

[Waylon Jennings](#)

Donna on my mind when I get up in the morning
Donna on my mind the whole day through
Love can't come so quick and real without any warning
Wonder if she's thinking of me too Once I thought that no one girl could ever hold me
Even thought this thing called love was just fantasy
Now I won't be satisfied until she's mine
'Till then I'll just have Donna on my mind Once I thought that no one girl could ever hold me
Even thought this thing called love was just fantasy
Now I won't be satisfied until she's mine
'Till then I'll just have Donna on my mind
