Diamond Ring

Sam Outlaw

You took me dancing
You got me drunk
You kissed me, oh I remember
I was a man needing a woman's touch
And that's all that I claim to beAnd now you got questions
Now come the tears
You want my heart to surrender
I see no courage ending life here
I see no reason at all
I see no diamond ring on your finger
I see no diamond ring on you at allYou look so pretty
You look like hell
You kissed me, oh I remember
Couple with whiskey
From a bottomless well
I must have been quite a showNow you want answers, now comes the fear
You want me only forever
I see no wisdom in drawing death near
I see no reason at allI see no diamond ring on your finger
I see no diamond ring on you at allI see no diamond ring on your finger
I see no diamond ring on you at all
So can you forgive me for not putting trust
On someone who thinks I'm so special
I'm just a man needing a woman's touch
Someday you'll see me again
