## Highlands Worship

He Is All We Need By Nicole McLean

Highlands Worship - Place of Freedom Carried only by Your grace and mercy God

Though we are undeserving

You called us Your own

Once were orphaned, now we sit at the table of the King

And no ear has heard or eye has seen

The love that lives through all eternity (Chorus x 1)

He is all we need

Savior to the lonely ones

Banner of victory

Hope of the world

He calls the darkness into light

He brings the dead to life

He is all we need

He is all we need Narrow is the road that You call us to walk

A life of surrender

A living sacrifice

Now all our earthly treasures

We count them all as loss.

And we will gladly answer the call

And humbly we will take up our cross

Because... (Chorus x 2)

He is all we need

Savior to the lonely ones

Banner of victory

Hope of the world

He calls the darkness into light

He brings the dead to life

He is all we need

He is all we need Oh we believe it Lord

We declare dependence on you Father

You are all we need, Lord

Whoa oh oh - oh oh - oh oh - oh ooh - ooooh

Whoa oh oh - oh oh - oh oh - oh ooh - oooooh

Whoa oh oh - oh oh - oh oh - oh ooh - oooooh

Whoa oh oh - oh ooooooh - oh ooh - oh ooooooooh Jesus, Savior has come

We believe. The Savior has come

We know that

Victory's been won

Oooh because, the Savior has come  
Cause...(Chorus x 2)
