No Matter

Jack Radics

Lost my job wrecked my car Iâ€™ve been robbed so I wanâ€™t get far
it donâ€™t matter â€¦ donâ€™t matter
Then the bank took the house now the neighbour starts to shout
it donâ€™t matter â€¦ donâ€™t matter

It donâ€™t matter cause life has never been better
No not ever life has never been better
It donâ€™t matter cause life has never been better
No not ever life has never been better

No more cage no more rage cause Iâ€™ve turned me a brand new page
much better â€¦ donâ€™t matter
And Iâ€™m free to be me and as far as I can see
much better â€¦ donâ€™t matter

It donâ€™t matter cause life has never been better
No not ever life has never been better
It donâ€™t matter cause life has never been better
No not ever life has never been better

No more cage no more rage cause I've turned me a brand new page .... much better
Now I'm free to be me and as far as I can see .... much better
And they say itâ€™s a shame Iâ€™m no longer in that game donâ€™t matter
Like an old picture frame thereâ€™s no one to call my name really donâ€™t matter
Iâ€™m so down wrecked my car Iâ€™ve been robbed what I wanâ€™t get far donâ€™t matter
Then the bank took the house and I wanâ€™t sreem and shout

It donâ€™t matter cause life has never been better
No not ever life has never been better
It donâ€™t matter cause life has never been better
No not ever life has never been better
It donâ€™t matter cause life has never been better
No not ever life has never been better
It donâ€™t matter cause life has never been better
No not ever life has never been better
