

# Heaven Will Know

## Modern Talking

When I'm down, feeling blue  
I close my eyes, oh, just to be with you  
I'm a dreamer and you know  
You're my woman and I'll never go  
God, put an angel here on earth  
Who gave me more than all I'm worth  
You're my angel in the night  
In the darkness you're the light  
Heaven will know, oh, heaven will know  
My love will grow, baby  
Heaven will know that I need you so  
I can't say goodbye, lady  
Heaven will know that I'll never let go  
And I'm stay until my heart stand still  
No matter what, baby, feel what you want  
Heaven sent me an angel, heaven sent me a star  
And it's more than a passing phase  
And it's more than a good night's day's  
And it's more than you'll ever know  
And you'll never be alone
