

In this river (live in Paris)

Black Label Society

I've been around this world, yet I see no end.
All shall fade to black again and again.
This storm that's broken me, my only friend.
Yeah In this river all shall fade to black
In this river ain't no coming back
In this river all shall fade to black
Ain't no coming back Withdrawn a step away, just to find my self
The door is closed again, the only one left
This storm that's broken me my only friend
Yeah In this river all shall fade to black
In this river ain't no coming back
In this river all shall fade to black In this river all shall fade to black
In this river ain't no coming back
In this river all shall fade to black
Ain't no coming back In this river all shall fade to black
In this river ain't no coming back
In this river all shall fade to black
In this river all shall fade to black
In this river ain't no coming back
In this river all shall fade to black
Ain't no coming back
