Thinking About Elvis

THINKING ABOUT ELVIS.
DENDEE.

chorus
Elvis, Iâ€™m thinking about Elvis
I hear his voice sometimes when a chilled wind blows
Elvis, Iâ€™m talking about Elvis
As the years pass by his legend grows
Verse 1
Back in the day there was a shy boy singing songs in Tennessee
Tried to find a great song, seemed it wasnâ€™t meant to be
Then in Sun Studio one night, he sang mama thatâ€™s alright
My mama
chorus
Elvis, Iâ€™m thinking about Elvis
I hear his voice sometimes when a chilled wind blows
Elvis, Iâ€™m talking about Elvis
As the years pass by his legend grows
Bridge
Elvis theyâ€™re still calling, you know theyâ€™re still calling
Elvis theyâ€™re still calling, calling for you
Verse 2
Although heâ€™s gone he lives forever he had no time to say goodbye
Alone in a dark place, nobody heard his cry
May his music touch your soul
Heâ€™ll always be the king of Rock and Roll
