

# One Night

Smiley Lewis

One night of sin,  
Is what I'm now paying for  
The things I did and I saw  
Would make the earth stand still  
Don't call my name  
It makes me feel so ashamed  
I lost my sweet helping hand  
I got myself to blame  
Always lived, very quiet life  
Never never did no wrong  
Now I know that very quiet life  
Has cost me nothing but harm  
One night of sin,  
Is what I'm now paying for  
The things I did and I saw  
Would make the earth stand still
