Breathing New Life (Off Axes Mix)

Damageplan

Can you feel it building
Devastation is on the way
Feel the hair on the back of your neck
As the rush beginsYou can't take it away
I earned this with sweat and blood
You can't take it away
Take what's mineBreathing new life back into me
Challenging all the powers that beCan you feel it slipping
As you lose your grip on me
Can you face that I won in the end
I can't keep from laughingYou can't take it away
I earned this with sweat and blood
You can't take it away
Take what's mineBreathing new life back into me
Challenging all the powers that be
Breathing new life back into me
Challenging all the powers that beDon't you see it coming
When you've caught on, it's too late
When it hits, don't forget who I am
Don't forget this faceYou can't take it away
I earned this with sweat and blood
You can't take it away
Take what's mineBreathing new life back into me
Challenging all the powers that be
Breathing new life back into me
Challenging all the powers that be
