Pretty Young Girl (Re-recorded 2010)

Bad Boys Blue

I know life is different to you
First love can be frightening, that's true
But take me as your brother and your friend
And take me as your lover and your manAh-AhPretty young girl on my mind
How I wish you to be mine (Woohoho)
Girl you're no child anymore
(No child, no child anymore)Ah-AhPretty young girl on my mind (On my mind)
Don't you know, know I can't hide (I can't hide)
(Woohoho) Can't hide my feelings
You're my girl and you're sixteen
Don't know (Don't know), is it wrong? Is it right?
Sweet girl (Sweet girl), I wanna love you tonight.
So, take me as your brother and your friend,
But, first of all, I want to be your manAh-AhPretty young girl on my mind
How I wish you to be mine (Woohoho)
Girl you're no child anymore
(No child, no child anymore)Ah-AhPretty young girl on my mind (On my mind)
Don't you know, know I can't hide (I can't hide)
(Woohoho) Can't hide my feelings
You're my girl and you're sixteenPretty young girl on my mind
How I wish you to be mine (Woohoho)
Girl you're no child anymore
(No child, no child anymore)
Ah-AhPretty young girl on my mind (On my mind)
Don't you know, know I can't hide (I can't hide)
(Woohoho) Can't hide my feelings
No more(Fade out)
Pretty young girl on my mind
How I wish...
