I Can Count on You

Lorrie Morgan

One of these days I'm gonna do it
Won't everybody be surprised
Been a long time coming to it
Always one more alibi
I've been saving up my courage
Till I'm strong enough to go
Leave behind these worries
Like I should have long ago
'Cause I know...[Chorus:]
I can count on you
In a world that's always changing
Steadfast and true
Not a doubt remains
You'll break my heart in two
Just like you always do
I can count on youI've been afraid to be without you
Guess that's why I stayed so long
Now I know too much about you
To just keep hangin' on
You won't be there when I need you
In the middle of the night
No more wonderin' when I'll see you
I'll just turn out the light
And close my eyes[Chorus]
