The Isley Brothers

Sanctuary
Is what you
Are to me
Yeah
No dictionary
Can find
The words to say
How much
I love you
Hallelujah

It's bout time I found someone Whose gonna love me
For me
Hey Miss Beloved
Since you come into my life
And unlocked the door
To my heart

I've been freeMany have called
But the chosen are few
Yeah
Said there's so few
That's why I'm so happy
Woman

To be lying next to you
YeahPrize possession
You're my
Movie star
My near or far
My everythingYou are my
Prize possession
You are my cozy nights
My fireplace

My sweet melodiesYou put the light at the end of my
Tunnel
Yes you did
And you did not let me die
When it looks like life was gettin' away
From me
Ohhh
You loved

And clothed
And you fed me woman
I remember
Momma
You're my best friend
I love you
And woman you've got to know yourMy prize possession
Said you are my
Movie star
My near or far
My Christmas carolPrize possession
You are my
Cozy nights
My fireplace
My sweet melodiesLady April
Let your rain fall down
It's much cozier when it's wet
We can cuddle up together
Oh
Aw

We can weather any storm
A family that prays together
Will stay togetherPrize Possession
