

Destroyer

Panama

God how I wish you could be here
You have to be near, you have to believe
You know how I want for you to return
Beaten and alone Ooh oh oh, your such a time destroyer
Ooh oh oh, I'm such a time destroyer God how I want for this to be real
It has to be clear, it has to be right
Hiding in shadows
Broken and so cold Ooh oh oh, your such a time destroyer
Ooh oh oh, I'm such a time destroyer Ooh oh oh, your such a time destroyer
Ooh oh oh, I'm such a time destroyer Ooh oh oh, your such a time destroyer
Ooh oh oh, I'm such a time destroyer
