

Have It Again

Guided By Voices

Experienced heirs, funny old men
Gave up their shares to have it again
They want to have it again
What would you give to be 9 or 10 again?
Back to the dealer, what were the plans?
Funny old men, sitting on their hands
Waiting, they want to have it again
What would you give to be 19 or 20 again?
What would you give to be 49 or 50 again?
