Grimes

Thinking of her all of my life
Now I go down

I'm in the field.
Nah nah nah nah...
Oooh...
Aaah...

Thinking of her
Baby that won't go
Now I go slow

Thinking of her all of my life
Now I go down

Thinking of her a-
All my life
Thinking of her a-
All my life

Thinking of her
Baby that won't go
We can go slow

Thinking of her all of my life
Now I go down

Thinking of her a-
All my life
Thinking of her a-
All my life

Thinking of her all of my life
Now I go down
