Wild One

Those Darlins

I maybe a little darlin gal of yours
Cause when Im straight and sober
Rebel feet are on the floor
But sometimes when the blues wraps a hole of me
I get the devil in my eyes and Im runnin wild and freeBut if you dont want a wild one
Quit hangin round with me
Knew right from the start thats my personality
If you cant handle crazy
Go ahead and leave
If you dont want a wild one quit hangin round with meI may be the sweetheart you dreamed of all your life
Just cause Im sweet doesnt mean Im always nice
Im tired of you telling me honey please slow down
I knew just what I want so dont order me aroundBut if you dont want a wild one
Quit hangin round with me
Knew right from the start thats my personality
If you cant handle crazy
Go ahead and leave
If you dont want a wild one quit hangin round with meI may be a fool to act the way I do
Even though Im crazy Im still a fool for you
So grab my hand lets go dance
Baby you gotta see
That letting loose aint that hard
So come get wild with meBut if you dont want a wild one
Quit hangin round with me
Knew right from the start thats my personality
If you cant handle crazy
Go ahead and leave
If you dont want a wild one quit hangin round with meIf you dont want a wild one quit hangin round with me
You know right from the start thats my personality
If you cant handle crazy
Go ahead and leave
And if you dont want a wild one quit hangin round with me
