[Ashanti:] Feelin' great I'm excited
[guy:] you look good so to all your fans out there all over the world 3rd album what should they get from this
[Ashanti:] um I really want people to feel me on this one this is definitely my best album I'm just

excited about it the lyrics are just a little bit deeper hooked back up with 7 Aurelius so ites a beautiful thing to me
[guy:] the albums crazy so explain to everyone the title Concrete Rose
[Ashanti:] Concrete Rose because when you think of Hip Hop you think of something grimy, grungy, kinda gritty Concrete when you think of RnB you think of something soft sensual kinda like a Rose my music is considered Hip Hop and RnB so Concrete Rose
