

# Pretty Words

## Tindersticks

Pretty words  
Likes ones you've never heard  
Oh those pretty words  
What can they say?  
It felt like the first summer's day  
When I heard those pretty words  
Oh those pretty words  
Oh those  
Pretty words  
Like ones you've only overheard  
They hang together like pearls  
I can't even say  
Do you feel so much better now  
Now you've heard those pretty words  
Oh those pretty words

Oh those  
Oh those pretty words  
They hang all around me now  
Like a nicotine string of pearls  
I'm falling inside them now  
When there's a sound you hear  
And it feels like everything  
And it feels like everything  
And it feels like  
You're just such a pretty one  
You make everything feel undone  
Waiting for those hands to come  
Waiting for those hands
