When Your Mind's Made Up

The Swell Season

So if you want something and you call, call
Then I'll come running to fight and I'll be at your door
When there's something worth running forWhen your mind's made up
When your mind's made up
There's no point trying to change itWhen your mind's made up
When your mind's made up
There's no point trying to stop itYou see, you're just like everyone
When the shit falls all you want to do is run away and hide all by yourself
When you're far from me, there's nothing elseWhen your mind's made up
When your mind's made up
There's no point trying to change itWhen your mind's made up
When your mind's made up
There's no point even talkingWhen your mind's made up
When your mind's made up
There's no point trying to fight itSo if you ever want something and you call, call
Then I'll come running
