Promises And Lies

Ub40

All the sorrow and the pain
All the sacrifice in vain
I was much too blind to see
You make a loser out of me
You put me down for oh so long
While you sang your serpent's song

[Chorus]
The rest is history
You can do no more to me
I've been down so low
Had nowhere left to go
I could see it in your eyes
All your promises were lies
Promises and lies

Your cut was quick and deep
But then you thought you'd never need a friend
But all things change, and tides must turn
And you let all your bridges burn
Too many fatal wounds to heal

[Chorus]
