

Dance-a-thon 2005

Electric Six

Baby get up off the floor
That man you're with
He ain't no innocent man He's a killer child
I seen him rip apart a young girl
With his bare hands Now, I know you think you know just what you're doin'
And you've been here time and time again before
But be careful with your heart
'Cuz this things about to start
And it's about to escalate into a war 25 contestants start the show
But only 1 will survive
It's not how you dance
It's who you know Dance-a-thon 2005
Dance-a-thon 2005
Dance-a-thon 2005
Dance-a-thon 2005, 2005 It's too hot, too far apart
To understand the game
But when this thing is over child
Everybody here gonna' remember your name Now baby, shoot out all the lights
And bring those crazy judges down to their knees
'Cause they're watchin' you all night, child
A distinguished panel of celebrities 25 contestants start the show
But only 1 will survive
It's not how you dance
It's who you know Dance-a-thon 2005
Dance-a-thon 2005
Dance-a-thon 2005
Dance-a-thon 2005
Dance-a-thon 2005, 5 And I want to reach into the fire of your heart
And I want to program all those beats right from the start
Have you ever been to New York City? New York City
