

# Peace Sign

## Usher & Zaytoven

Zaytoven  
Okay  
I made this for you  
'Til we meet again  
Yeah, you  
You know who you are  
Yeah I ain't tryna wear you out  
Never get enough  
On my way to pick you up  
Be ready when I pull up baby  
I don't wanna have to rush  
When we making love  
Let me know if it ain't too much  
Won't stop if I get enough babe  
Get enough babe (Get enough)  
Get enough  
Get enough babe (You gettin' enough babe?)  
Won't stop if I get enough babe  
Get enough (Get enough babe)  
Never get enough (Get enough)  
Never get enough (Get enough, baby)  
Oh, never get enough babe  
On this side  
Legs up like a peace sign  
Two cups down, got her tongue-tied (Tongue-tied)  
Can't wait 'til I'm inside (Yeah)  
Beat, beat 'til the sunrise  
All up in her hair like a hair tie (Ayy)  
Two cups down, got her tongue-tied (Ayy)  
I can't wait 'til I'm inside, yeah Speak up, the bass  
My hand on her waist, thinking 'bout it for some days  
I'm on the way  
I hop in the Wraith, speedin', racin' to her place  
Put that on my face  
She stayin' here for days  
So good, I don't need a plate  
I love how she taste  
She don't fuck with no lames, that's why she stay in her place  
On this side (This side)

Legs up like a peace sign (Ooh)  
Two cups down, got her tongue-tied (Tongue-tied)  
Can't wait 'til I'm inside (Inside)  
Beat, beat 'til the sunrise  
All up in her hair like a hair tie  
Two cups down, got us tongue-tied  
I can't wait 'til I'm inside, woah I ain't tryna wear you out  
Never get enough  
On my way to pick you up  
Be ready when I pull up baby

When we making love  
Let me know if it ain't too much  
Won't stop if I get enough babe (Get enough babe)  
If I get enough babe (Did you get enough, babe?)  
Oh, if I get enough babe (Get enough babe)  
Oh, if I get enough babe (Get enough babe)  
Oh On this side (This side)  
Legs up like a peace sign (Peace sign)  
Two cups down, got us tongue-tied (Tongue-tied)  
Can't wait 'til I'm inside (Oh)
