Better Place

Tomorrow People

Verse 1
Now youâ€™re all alone wondering what went wrong
Girl donâ€™t lose control, head up and be strong
Let the reasoning become history
And it will eventually pass on
Soooâ€¦

Chorus
Donâ€™t let him tell you youâ€™re not worth it no more
When all is done, thereâ€™ll be a knock at your door
Open up and you will see
Thereâ€™s a Better Place to be
Girl that past you gotta leave behind

Verse 2
Girl youâ€™re down and out, looking to let go
This experience, is just a chance to show
You that life is what, you make of it before you stop
Overcome it get on up and go on.
Soooâ€¦

Chorus
Donâ€™t let him tell you youâ€™re not worth it no more
When all is done, thereâ€™ll be a knock at your door
Open up and you will see
Thereâ€™s a Better Place to be
Girl that past you gotta leave behind

Ragga
Oh girl, yes
You know there may have been a time up in the past
When de feeling didnâ€™t last, and u thinking dat you must escape
No other person that is standing by your side
He taken all your pride, now you left without no guide, so
Itâ€™s time to stand against de tide, leave it all behind
Open up the door and you will find
Thereâ€™s a better place, better time
Better world, better life
Said thereâ€™s a better place for you to be

Chorus
Donâ€™t let him tell you youâ€™re not worth it no more
When all is done, thereâ€™ll be a knock at your door
Open up and you will see
Thereâ€™s a Better Place to be
Girl that past you gotta leave behind

Outro
Worth it no more
Knock at you door
Up and you will see
Better place to be
