Waking Up Is Hard To Do

Neil Sedaka

You slept your night now it's morning time
That's the time to rise and shine
Don't you cry and don't be blue
Wakin' up is hard to do
Just brush your teeth and then get dressed
When you comb your hair you'll look the best
Now you know it's really true
Wakin' up is hard to do
They say that wakin' up is hard to do
Wear a smile don't you be blue
Just wipe the sleep from your eyes
Instead of going back to bed
You got to stretch and face the day
Just listen to the birdies sing
And the flowers that await the spring
Rise and shine, you're dreaming's through
Wakin' up is hard to do
They say that wakin' up is hard to do
Wear a smile don't you be blue
Just wipe the sleep from your eyes
Instead of going back to bed
You got to stretch and face the day
Just listen to the birdies sing
And the flowers that await the spring
Rise and shine, you're dreaming's through
Wakin' up is hard to do
