WoooI'm just tryna get my own  
I'm up early in the mornin'  
Gettin' it by all means  
Gotta get this dough (ohh)

But every time I look over my shoulder  
I see you and all your hatin', hatin' homies all up, all up in my zone (noo)  
Oh no (noo)  
Oh no (noo)  
Oh no (noo)  
Come on man (hey)  
What the fuck you lookin' at me for? (hey)  
You wanna do somethin' (hey)  
Do somethin'I say fuck you, fuck you  
Get a life, get a life  
Man I got too much shit on my head  
To have to deal with all of you (youu)  
All you (youu)  
All you (youu)  
All you (youu)  
I say fuck you, fuck you  
Get a life, get a life  
Man I got too much shit on my hands  
To have to deal with all of you (youu)  
All you (youu)

When you're not around them baby

In the bushes by my home (wooo)
