

Send Them Off! (Whethan Remix)

Bastille

It was a slight on my honor, so he deserved it
But we're talking about the most brilliant mind this world's ever seen I've got demons running round in my head
And they feed on insecurities I have
Won't you lay your healing hands on my chest?
Let your ritual clean Soak the ropes with your holy water
Tie me down as you read out the words Set me free from my jealousy
Won't you exorcise my mind?
Won't you exorcise my mind?
I want to be free as I'll ever be
Exorcise my mind
Help me exorcise my mind Desdemona, won't you liberate me?
When I'm haunted by your ancient history
Close these green eyes and watch over as I sleep
Through my darkest of dreams Be the power to compel me
Hold me closer than anyone before Set me free from my jealousy
Won't you exorcise my mind?
Won't you exorcise my mind?
I want to be free as I'll ever be
Exorcise my mind
Help me exorcise my mind I should be thinking 'bout nothing else when I'm with you ooh
With you ooh, oh oh oh
I should be thinking 'bout nothing else when I'm with you ooh
With you ooh, oh oh oh Your mind exists somewhere altogether different
It lives in a world where feelings simply cannot be defined by words Oh set me free from my jealousy
Won't you exorcise my mind?
Won't you exorcise my mind?
I want to be free as I'll ever be
Exorcise my mind
Help me exorcise my mind
Help me exorcise my mind
Won't you exorcise my mind?
