Behind Your Eyes

Lessdmv - Behind your eyes

The heaven lied from the start
the tears of god ache behind the eyes
of more than one

The right is not in the light
the wrong is not in the dark
so it's time to ask for more
and even if the sky now seems too far

My heart is crawling to the death
but my soul is fighting to be free

The hell is under your scars
I'm the demon behind your eyes
and i'll make your feel
so warm
and even if the sky now seems too far

My heart is crawling to the death
but my soul is fighting to be free
My heart is crawling to the death
But my soul is fighting to be free.
