This Is The Thanks I Get

Mario Winans

Yo! yeah yeah!
Yeah, this is 'Rio! yeah! 'Rio Winans
Yeah!
You hurt me so bad
Baby, yeahI always trusted you bet that all
It didn't mean that much to you, babe
I gave my love, my time and my life
In return you give me pain
What a shame and this is the thanks I get, babyHow could you do it to a nigga like this?
Tell me, tell me
And why would you give another nigga my kiss?
You hurt me, hurt me babe
I gave my love, my time, my life
In return you give me pain
What a shame and this is the thanks I get, babyThis is 'Rio! 'Rio Winans
You hurt me so bad
Baby, now verse twoI believed in everything babe
Until the day you lied to me, girl
I gave my heart, my mind, my soul
In return you give me pain
What a shame and this is the thanks I get, babyHow could you do it to a nigga like this?
Tell me, tell me
And why would you give another nigga my kiss?
You hurt me, hurt me babe
I gave my love, my time, my life
In return you give me pain
What a shame and this is the thanks I get, babyEver since he met you had that good Oochie Wally
Curves so killer, you put insurance on your body
Remember that jude joints your hair all knotty
And I was coming through in that blue Maserati goSee this honey was potent like cook blow
Crack! I mixed the Black with Phillipino
Used to live in Reno but we met on the beach
Sang bars from the star, everythang was peaceThen we got our shit together, you moved in the castle
Let you shop wit the Capital One, no hassles
One minute you're cool, next minute you're amped
Talking loud trying to play me like a wet food stampThink of me in your life with the next dude
I'm like Chef, I'm contemplating my next move
Then think of all the wankstas I hit
Ain't this a bitch? Shit this is all the thanks I get! I'm goneHow could you do it to a nigga like this?

Tell me, tell me
And why would you give another nigga my kiss?
You hurt me, hurt me babe
I gave my love, my time, my life
In return you give me pain
What a shame and this is the thanks I get, baby
