

I Don't Deserve You (Wawa Remix) [feat. Plumb]

[Paul van Dyk](#)

You're the first face that I see
And the last thing I think about
You're the reason that I'm alive
You're what I can't live without
You're what I can't live without And never give up
When I'm falling apart
Your arms are always open wide
And your quick to forgive
When I make a mistake
You love me in the blink of an eye I don't deserve your love
But you give it to me anyway
Can't get enough
You're everything I need
And when I walk away
Take off running and come right after me
It's what you do
And I don't deserve you You're the light inside my eyes
Give me a reason to keep trying
Give me more than I could dream
And you bring me to my knees
You bring me to my knees Your heart is gold and how am I the one
That you've chosen to love
I still can't believe that you're right next to me
After all that I've done I don't deserve your love
But you give it to me anyway
Can't get enough
You're everything I need
And when I walk away
Take off running and come right after me
It's what you do
And I don't deserve you You're the first face that I see
And the last thing I think about
You're the reason that I'm alive
You're what I can't live without
You're what I can't live without And never give up
When I'm falling apart
Your arms are always open wide
And you're quick to forgive
When I make a mistake

You love me in the blink of an eye I don't deserve your love

But you give it to me anyway

Can't get enough

You're everything I need

And when I walk away

Take off running and come right after me

It's what you do

And I don't deserve you
