

# Use Somebody

[Laura Jansen](#)

I've been roaming around  
Always looking down at all I see  
Painted faces fill the places I can't reach  
You know that I could use somebody  
You know that I could use somebody, yeah, yeah  
Someone like you  
And all you know and how you speak  
Countless lovers undercover of the street  
You know that I could use somebody  
You know that I could use somebody, yeah, yeah  
Someone like you, oh, oh, oh, oh  
Someone like you, oh, oh, oh, oh  
Off in the night  
While you live it up I'm off to sleep  
Waging war to shake the poet and the beat  
I hope it's gonna make you notice  
I hope it's gonna make you notice  
Someone like me, oh, oh, oh, oh  
Someone like me, oh, oh, oh, oh, yeah  
I'm ready, I'm ready, I'm ready now  
I'm ready, I'm ready, I'm ready now  
Oh, oh, oh, oh  
Someone like me, oh, oh, oh, oh  
I've been roaming around  
Always looking down at all I see
