Be True to Yourself

Bobby Vee

Be true to yourself and you'll always be true to me
Be true to yourself and you'll be the girl that I want you to be

Remember that
If some other guy catches your eye just follow your heart
I know your heart won't lead you wrong
our love is much too strong

I'm not afraid of losing you
I have faith in you, can't you see
Darling be true to yourself and you'll always be true to me

Remember that
If some other guy catches your eye just follow your heart
I know your heart won't lead you wrong
our love is much too strong

I'm not afraid of losing you
I have faith in you, can't you see
My darling be true to yourself and you'll always be true to me
