

Just Another Day

Riddlin' Kids

Another day's gone by
And nothin' ever seems to change
 And everything I love
 I'm watchin' waste away
 So what's the matter with me?
 Couldn't tell, I just can't fake it
 And I don't wanna believe
 But this time I just can't take it
 Just another day in my life
 I don't wanna run out of time
 I don't wanna wake up some day
 And all my life is wasted away
 There's so much that I wanna be
 So everybody, listen to me
 There's so many things on my mind
 Just another day in my life
 Another day in my life
 So what's the point in life
 If you're not happy everyday
 Well, I could end it all
 And then they'd say
 That it's so hard to believe
 I always thought he'd make it
 And now we never would get to see
 Well, I guess he couldn't take it
 Just another day in my life
 I don't wanna run out of time
 I don't wanna wake up some day

 And all my life is wasted away
 There's no much that I wanna be
 So everybody, listen to me
 There's so many things on my mind
 Just another day in my life
 Another day in my life
 Another day in my life
 So what's the matter with me?
 Couldn't tell, I just can't fake it
 And I don't wanna believe

But this time I just can't take it
Just another day in my life
I don't wanna run out of time
I don't wanna wake up some day
And all my life is wasted away
There's no much that I wanna be
So everybody, listen to me
There's so many things on my mind
Just another day in my life
Another day in my life
Another day in my life
Another day in my life
