

# Nowhere

## Katatonia

Atmosphere decays in me  
I fail to convict my useless days  
The lack of substance  
Circle of downfallExit less ways into pale wake  
Tired attempts to crush the design  
It's like nowhere, I cannot sell  
The plight that is mineEverything is real but I'm not here  
I've lost my strength, somewhere, nowhere  
Used to care about weather, used to plan the days that came  
Used to try and watch you, used to know my nameSomeone said remember  
But I can't remember  
Anything at all  
Anything at allAtmosphere decays in me  
I fail to convict my useless days  
The lack of substance  
Circle of downfallExit less ways into pale wake  
Tired attempts to crush the design  
It's like nowhere, I cannot sell  
The plight that is mine
