

Dream Away

George Harrison

Oh ry in eye ay, oh ry in eye ay
Oh ry in ah key ooh lay
Ka lay ooh lau ee, oh ry in eye ay
Sal you te lee ay vee showMidnight sunshine silent thunder
Sky as black as day
Only a dream awayOh ry in eye ay, oh ry in eye ay
Oh ry in ah key ooh lay
Ka lay ooh lau ee, oh ry in eye ay
Sal you te lee ay vee showWaking while you're still deep sleeping
Finding you're not here
Watching a dream appearTumbling through a thousand centuries
You don't know where you'll land, it's so dark in mythology
Treasures of history to be found, near the legends of time
All the handiworks remain there, only a dream awayOh ry in eye ay, oh ry in eye ay
Oh ry in ah key ooh lay
Ka lay ooh lau ee, oh ry in eye ay
Sal you te lee ay vee showGreedy feeling, wheeling, dealing
Losing what you won
See the dream come undoneStumble you may with the elementary
Lucky you got so far, all you owe is apologies
Measure the mystery and astound, without taking up time
Still the handiworks remain, only a dream awayOh ry in eye ay, oh ry in eye ay
Oh ry in ah key ooh lay
Ka lay ooh lau ee, oh ry in eye ay
Sal you te lee ay vee showIn out, hot cold, up down, young old
What a lot to do
Sharing a dream with youOh ry in eye ay, oh ry in eye ay
Oh ry in ah key ooh lay
Ka lay ooh lau ee, oh ry in eye ay
Sal you te lee ay vee showOh ry in eye ay, oh ry in eye ay
Oh ry in ah key ooh lay
Ka lay ooh lau ee, oh ry in eye ay
Sal you te lee ay vee showOh ry in eye ay, oh ry in eye ay
Oh ry in ah key ooh lay
Ka lay ooh lau ee, oh ry in eye ay
Sal you te lee ay vee showOh ry in eye ay, oh ry in eye ay
Oh ry in ah key ooh lay
Ka lay ooh lau ee, oh ry in eye ay
