

# I Found

## Amber Run

I'll use you as a warning sign

That if you talk enough sense then you'll lose your mind

And I'll use you as a focal point

So I don't lose sight of what I want

And I've moved further than I thought I could

But I miss you more than I thought I would

And I'll use you as a warning sign

That if you talk enough sense then you'll lose your mind And I found love where it wasn't supposed to be

Right in front of me

Talk some sense to me And I found love where it wasn't supposed to be

Right in front of me

Talk some sense to me And I'll use you as a makeshift gauge

Of how much to give and how much to take

I'll use you as a warning sign

That if you talk enough sense then you'll lose your mind And I found love where it wasn't supposed to be

Right in front of me

Talk some sense to me And I found love where it wasn't supposed to be

Right in front of me

Talk some sense to me Oh, and I found love where it wasn't supposed to be

Right in front of me

Talk some sense to me And I found love where it wasn't supposed to be

Right in front of me

Talk some sense to me
