

# What Say

George Strait

Why dont we do something different?  
Something that breaks with the times  
Take an old idea, make it new again  
Baby, what say we stay togetherIt tears me up to watch  
Our old friends fall apart  
Lets swear right now that well never go there  
Baby, what say we stay togetherWhat say, we work on one day at a time  
Ill always be yours and youll always be mine  
And well be an exception to the rule  
Baby, what say we stay togetherLets start with love and kindness  
And leave no room for hurt  
And when times get hard and we want to give up  
Baby, what say we stay togetherWhat say, we work on one day at a time  
Ill always be yours and youll always be mine  
And well be an exception to the rule  
Baby, what say we stay togetherWhy dont we do something different?
