All Systems Go

Box Car Racer

I left my fear behind me,
Of those lights out by the station,
The government is lying,
The youth they won't believe them,Chorus
We can't go wrong,
Can't get fucked this time,
Speak up now lose or get left behindWhen will this be over
This cold and bitter season
The government is lying
The truth is found with reason
(Chorus X2)InstrumentalWe can't go wrong,
Can't get fucked this time,
Speak up now lose or get left behind
We are the underrated
All forgotten
Kids who made it
Speak up now lose or get left behind
