Never Alone

Walter Hawkins

You were like a lost kid looking for home
You found what you wanted right in my arms
If you walk out on me, just leave your memory
Just take my sympathy and go
I love you so you're never alone
If you find another one turns your head
And you can't understand why it hurts so bad
If you walk out on me, just leave your memory
Just take my sympathy and go
I love you so you're never alone
Ain`t no need to talk about it
I can learn to live without it
Just leave your heart right here with me
If you walk out on me, just leave your memory
Just take my sympathy and go
If you walk out on me, just leave your memory
Just take my sympathy and go
I love you so you're never alone
Girl, you're never alone never alone
