

Fade Away

[Jamie Lynn Hart](#)

Do you know my name, do you know who I am?
And can you see I'm doing all that I can
If you know my name, if you like what I do
What does that mean? Have my dreams come true?
I'm just trying to figure out, my reason why.
But gravity pulls me down and I can't decide. Oh, I don't want to fade away
How can I dream it if I don't believe it?
I got to get out of my way, so I won't fade away. The life that we choose, the chances we take
The hills that we climb, the sacrifices we make
Oh, just trying to figure out if it's worth the fight.
Can somebody tell me know if I'm doing it right. Oh, I don't want to fade away
How can I dream it if I don't believe it?
I got to get out of my way, so I won't fade away No, no, no.
And I see where I wanna be but I seem tied to this place.
Oh, I'm holding me back
I've got to get out out of my way, so I won't fade away. I won't fade away
Oh, no, I won't, I won't fade away.
Oh, How can I dream it if I don't believe it?
I got to get out of my way, so I won't fade away.
Fade away.
I won't fade... away...
