

# Kick Up Your Heels

Jessica Mauboy

(Intro)

One time for the land down under  
Two times for Mr. Worldwide  
Three times for the gorgeous Jessica

(Verse)

I met a fellow at the bar  
I know he slipped me something strong  
Said won't you be my Valentine  
Oh my

(Verse)

I said who do you think you're talking to?  
Before this girl gets cute with you  
I need to see the way you move  
If I'm gon call you mine

(Pre-Chorus)

Oh I'm not falling to my knees  
You know I'm one of a kind  
If you really wanna take a chance on me  
Then dance with like someone

(Chorus ? part 1)

You get up on your heels  
The bass drop and the keys just won't stop  
Here's the D, you're gonna dance with me tonight  
Swing from here to there  
Let go of all your cares  
Forget your love affair  
You're gonna dance with me tonight

(Chorus ? part 2)

Kick up your heels and swing with me  
Oh my baby  
Kick up your heels and swing with me  
Gonna dance with me tonight  
Kick up your heels and swing with me  
Oh my baby

Swing it like you mean it

(Verse)

They say that you're a cat's meow  
I'm curious what you're about  
You're dangerous without a doubt  
But it's alright

(Verse)

You may or may not be the one  
For now we're only having fun  
You talk like you've already won  
But we still got the night

(Pre-Chorus)

Oh I'm not falling to my knees  
You know I'm one of a kind  
If you really wanna take a chance on me  
Then dance with like someone

(Chorus ? part 1)

You get up on your heels  
The bass drop and the keys just won't stop  
Here's the D, you're gonna dance with me tonight  
Swing from here to there  
Let go of all your cares  
Forget your love affair  
You're gonna dance with me tonight

(Chorus ? part 2)

Kick up your heels and swing with me  
Oh my baby  
Kick up your heels and swing with me  
Gonna dance with me tonight  
Kick up your heels and swing with me  
Oh my baby  
Swing it like you mean it

(Verse)

I got a bad habit of being with women that look like Jessica Rabbit  
You know I gotta have it, tag it, rip and grab it  
Lick it, stick it, kiss and bag it  
I love it when they keep they heels on and clothes off  
I'm tryna find my mind but it's so lost  
I'm tryna turn you on and get you so off  
These boys act like they hard but they so soft

Visa to visa, country to country  
Sending here bees and the women who love me  
They sayin they need me, they sayin they want me  
Catch me in the Bahamas eatin Chonky Conky  
Getting harder than the FK  
Just so I can F that  
I don?t need the pope to bless that  
That?s what I?m here for, been there

(Chorus ? part 1)

You get up on your heels  
The bass drop and the keys just won?t stop  
Here?s the D, you?re gonna dance with me tonight  
Swing from here to there  
Let go of all your cares  
Forget your love affair  
You?re gonna dance with me tonight

(Chorus ? part 2)

Kick up your heels and swing with me  
Oh my baby  
Kick up your heels and swing with me  
Gonna dance with me tonight  
Kick up your heels and swing with me  
Oh my baby  
Swing it like you mean it
