Let It Be

Vince Viano

I though my life was over
All my dreams had surely gone away Now itâ€™s a good story
You ll me with Your Glory every day
I love the life Iâ€™m living
Got all my Sins Forgiven right away And now Iâ€™m high upon the ladder And nothing seem to matter but my faith
I want to thank you God
For all the things youâ€™ve done for me And thank you God for the gi s that I have soon to receive
And thank you God
You got me singing my favorite song Let it Be
When no one else would listen
I found the One whoâ€™s risen by your side
And now I know Iâ€™ll live forever is feeling that Iâ€™m feeling gets me high
I want to thank you God
For all the things youâ€™ve done for me And thank you God for the gi s that I have soon to receive
And thank you God
For giving me the strength that I need
I want to thank you God
For saving what was le of me
And thank you God for bringing out the best in me
I want to thank you God
You got me singing my favorite song Let it Be - Let it Be
erefore let it be known to you at this salvation of God
Has been sent to the Gentiles, ey will listen
In the name of the Father and e Son and e Holy Spirit Amen (4X)
I want to thank you God
For all the things youâ€™ve done for me And thank you God for the gi s that I have soon to receive
And thank you God
For giving me the strength that I need
I want to thank you God
For saving what was le of me
And thank you God for bringing out the best in me
I want to thank you God
You got me singing my favorite song Let it Be - Let it Be
In the name of the Father and e Son and e Holy Spirit Amen (4X)
